FISCAL NOTE

HB 2280 - SB 2283

January 26, 2012

SUMMARY OF BILL: Requires any person engaging in the business of soliciting orders for magazines, or making contracts for the future delivery of magazines, which are conditioned upon payment of a subscription fee, to register the person's presence, and to furnish an adequate description of any motor vehicle that will be used in the solicitation of such magazine sales, with the municipal law enforcement authority where such business will be solicited.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Current law requires solicitors to register their presence and provide adequate vehicle descriptions to the sheriff of the county in which solicitations will be made prior to any solicitation attempts.
- Any increase in local expenditures for municipalities to create a record for maintaining the presence of magazine subscription solicitors and information about motor vehicles used in such solicitations will be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
